

# THE ETM MODEL

## ENGAGEMENT

Strong principal leadership, supporting sustainable, comprehensive music education

## EDUCATIONAL COMPONENTS

Music is a core subject

*Every child deserves access to high-quality music education, taught by qualified and well-trained music teachers*

Qualified and well-trained music teachers with high-quality support and professional development

Supports learning in other areas, including math, science, social studies and reading

Engaged and supportive parents build strong school communities

Improves academic achievement, motivation for school, and self confidence

Quality music education *for all children*
