INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Education Through Music, Inc.

We have audited the accompanying financial statements of Education Through Music, Inc. (a nonprofit organization), which comprise the statements of financial position as of August 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Education Through Music, Inc. as of August 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

EDUCATION THROUGH MUSIC, INC.**NOTES TO FINANCIAL STATEMENTS****AUGUST 31, 2015 AND 2014****Note 1 - Organization and Summary of Significant Accounting Policies****a - Organization**

Education Through Music, Inc. (the "Organization") was established in New York City to promote the concept of teaching music and other arts as a means of enhancing the learning of academic subjects and improving overall performance by students in inner city schools and schools in disadvantaged areas.

b - Cash and Cash Equivalents

The Organization considers all short-term highly-liquid investments, such as money market funds, to be cash equivalents, except for cash awaiting investment.

c - Investments

The Organization reflects investments at fair value in the statement of financial position. Unrealized gains and losses on investments are reflected in the statement of activities. Interest, gains and losses on investments are reflected in the statement of activities as increases and decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or by law. Investment income restricted by the donor is reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the income is recognized.

d - Fair Value Measurements

The Organization is required to use a framework for measuring fair value and make certain disclosures about fair value measurements. Fair value is a market-based measurement, not an entity-specific measurement, and is based on a fair value hierarchy with the highest priority being quoted prices in active markets. Fair value measurement is disclosed by level within that hierarchy.

Unadjusted quoted prices in active markets for identical assets or liabilities are referred to as Level 1 inputs. Inputs other than quoted market prices that are observable, either directly or indirectly, and reasonably available are referred to as Level 2 inputs. Observable inputs reflect the assumptions market participants would use in pricing the asset or liability and are developed based on market data obtained from sources independent of the Organization. Unobservable inputs reflect the assumptions developed by the Organization based on available information about what market participants would use in valuing the asset or liability and are referred to as Level 3.

An asset or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Availability of observable inputs can vary and is affected by a variety of factors. Level 3 assets and liabilities involve greater judgment than Level 1 or Level 2 assets or liabilities.

All of the Organization's investments are classified within Level 1 of the fair value hierarchy. Fair value is determined using quoted market values.

EDUCATION THROUGH MUSIC, INC.**NOTES TO FINANCIAL STATEMENTS****AUGUST 31, 2015 AND 2014****Note 1 - Organization and Summary of Significant Accounting Policies (continued)****d - Fair Value Measurements (continued)**

The values assigned to these investments and any unrealized gains or losses reported are based on available information and do not necessarily represent amounts that might be realized if a ready market existed and such differences could be material. The ultimate realization of such amounts depends on future events and circumstances and therefore, valuation estimates may differ from the value realized upon disposition of individual positions.

e - Contributions and Unconditional Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

f - Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

g - Property and Equipment

Property and equipment are capitalized at cost and are being depreciated using the straight-line method over the estimated useful lives of the assets or for leasehold improvements, the life of the lease.

h - Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

i - Tax Status

Education Through Music, Inc. is a not-for-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been designated as an organization which is not a private foundation. Management has evaluated all income tax positions and concluded that no disclosures relating to uncertain tax positions are required in the financial statements.
