

A Gala to Benefit Education Through Music

Wednesday, June 12, 2019

Cipriani 42nd Street

Imagine benefits ETM's work with under-resourced schools throughout New York City. Your support of this year's gala enables us to leverage music education as a catalyst for improving academic achievement, elevating student motivation to attend school, and increasing student self-confidence. Founded in 1991, ETM serves more than 34,000 students at 65 schools throughout New York City.

Each year, ETM's annual gala recognizes individuals and companies that have had a lasting impact on the public's understanding of the importance of music education and how music unites humanity by serving as a universal language.
