

### ETM Media Consent & Release

I understand that Education Through Music (“ETM”) is a nonprofit organization dedicated to partnering with schools to ensure that all students have access to music education. I grant to ETM the right to use the image, name, photograph, voice, persona, and/or likeness of myself, my child, or the child for whom I am a legal guardian (collectively, the “Media”) in its promotional and fundraising materials and publicity efforts and in perpetuity.

Also, I grant to ETM the right to use materials created by my child for their music teacher (also collectively, the “Media”) in its promotional and fundraising materials and publicity efforts and in perpetuity.

I understand that any such photographs, recordings, and other video or audio may be used in publications, print ads, electronic media (e.g., video, Internet, social media, marketing and fundraising collateral) or other media in perpetuity.

I waive the right to inspect or approve any materials incorporating the Media and any right to royalties or other compensation for the use of the same. I also waive any claim to any intangible rights, including the right of publicity or copyright that the child for whom I am the parent or legal guardian or I may hold concerning the Media created by ETM. I release ETM from any claims or liability that the child for whom I am the parent or legal guardian or I may have arising out of the recording, use or reproduction of the Media.

\_\_ I am at least 18 years of age and I accept these terms on behalf of myself and the child for whom I am the parent or legal guardian.
